**PRINCE2™ Certifications (2009 Version)
Foundation & Practitioner**

Delhi – 17th -- 21st Oct '11

Kolkata– 31st Oct -- 4th Nov '11

SIANTINDIA introducing the best training and learning method in the field of Project Management. We are offering PRINCE2™ in India for the first time in a joint collaboration with Sianti Management Systems Limited based in north of the United Kingdom.

Sianti Management Systems Limited is an Accredited Training Organization for PRINCE2™. Our courses in India are always run by our Lead Trainer Dr. Ian Procter who has over 30 years experience in training and consultancy in PRINCE2™

Why PRINCE2™?

Following the course, delegates will be able to organize, plan and control projects quickly and effectively in accordance with the PRINCE2™ Methodology. Senior management will be able to make decisions on project initiation and continuation on the basis of hard facts provided in a structured format. The course is represented in an interactive format with practical sessions, delivered by a trainer with considerable experience of PRINCE2™. Practical sessions will be on an individual and team basis focusing on the Foundation Examination.

Who should attend?

The course is suitable for any organization or individual seeing the need for a controlled approach to managing its projects, including; Project Managers, Project Support, Team Members from any discipline. The PRINCE2™ method is flexible and adaptable for any type and size of project. It offers an excellent management foundation for any member of staff; no prior Project Management knowledge is necessary.

Our Speaker

Dr. Ian Procter was a member of the team that developed the PRINCE Project Management Methodology on behalf of the OGC.

Dr. Ian has been involved in training and consultancy in PRINCE since the launch of version one in 1989. Ian is an accredited PRINCE trainer and developed all the material used on the accredited PRINCE2 training courses offered by UNICOM, UK.

Dr. Ian was also a member of the working party that established the syllabus and regulations for the Information Systems Examination Board (ISEB) Certificate in Project Management qualification.

Course Objectives

- To understand why projects need to be managed differently from the operations of the organization
- To understand how PRINCE2™ projects are organized
- To understand the role of senior management in a PRINCE2™ project
- To understand how day-to-day management of a project is delegated to the Project Manager in a controlled way
- To understand how work is assigned from the Project Manager to a Team Member
- To understand how management keep control of a project using Management by Exception
- To understand the role of management in ensuring risks to the project are effectively managed
- To understand the role of management in ensuring that the project delivers the required benefits to the organization
- To understand the approach used by PRINCE2™ to control changing requirements
